

DAI Website update!

1. Home

I have added the gallery below however I need you to send me more pictures! Specifically for each category most especially Field Trips and First Day. Note by default the page loads all images and if the parents want, they can focus on a particular category!

2. Facilities moved.

I moved this part from the admin page and I put it here. The admin page will now feature extracurricular activities!

Our Facilities at David's Academy

At David's Academy, we ensure a nurturing and safe learning environment for all our little ones. Our facilities include a Nurse's Office for quick care and support, a vibrant Play Area where children can engage and develop socially, a welcoming Cafeteria that offers nutritious meals, and well-equipped Classrooms designed to foster a love of learning through interactive and creative lessons. Each space is thoughtfully designed to support the holistic growth of our students.

Nurse's office

Your child's health and well-being are our top priorities. Our dedicated nurse is always on hand to provide care and attention, ensuring your little one stays happy and healthy throughout the day.

Play area

Playtime is essential for childhood development. Our spacious and secure play area allows children to explore, socialize, and develop motor skills in a fun and safe environment.

Cafeteria

Nutrition is key to growth and learning. Our cafeteria serves balanced, kid-friendly meals that fuel your child's body and mind, all prepared with the highest standards of health and safety.

Classroom

Our vibrant, well-equipped classrooms foster creativity, curiosity, and learning. Each space is designed to encourage exploration and provide personalized attention to help every child thrive.

For your convenances see <https://www.davidsacademykinshasa.com/>

Classes Page

Notice that some of these classes either have missing pictures of a teacher or are pending benefits. Please provide both

Admin Page

I have added extracurricular activities in the same style as facilities to remain consistent in style!

Extra Curricular Activity

Beyond academics, we offer a range of exciting Extracurricular Activities to encourage creativity and physical well-being, including Dance, Taekwondo, Arts and Crafts, and Music. These activities help students explore their passions and develop new skills in a fun, supportive environment.

Dance

At David's Academy, our Dance program encourages students to express themselves through movement.

Taekwondo

Our Taekwondo classes help students build discipline, strength, and self-confidence.

Arts & Craft

In our Arts and Craft sessions, students explore their creative potential by working with different materials and techniques.

Music

The Music program at David's Academy introduces students to the world of rhythm, melody, and harmony.
